Frequently Asked Questions

What is the Remodelers Advantage IMPACT Award?

The Remodelers Advantage IMPACT Award is an annual award presented to a member of Remodelers Advantage Roundtables Peer Groups—a remodeling company owner who best embodies, in spirit and practice, the sharing, generosity and business acumen that are cornerstones of success in the Roundtables Peer Groups and success in business.

How many awards will be presented?

Only one remodeling company owner will win the IMPACT Award each year.

How often is the IMPACT Award presented?

Just once. Right now, we plan to present the IMPACT Award at the Award Ceremony that is incorporated into our annual [Summit](#).

Who is eligible to be nominated?

The nominees for the Remodelers Advantage IMPACT Award are those Roundtables Members who have been voted MVP by their peers at the conclusion of one of the previous two Roundtables meetings.

The nominees must also be Roundtables members in good standing at the time of the Awards Ceremony.

Do nominees need to complete an entry form?

No, the Roundtables Groups MVP's are automatically entered into the IMPACT Award process. You must, however, accept the invitation and follow the next steps in order to be in the running.

What is the process?

STEP 1 Selecting the Semi-Finalists

At the conclusion of the Fall/Spring Roundtables meeting cycle, the list of MVP's is compiled to create the list of IMPACT Award nominees. The members who accept our invitation to join the running for the IMPACT award will answer this important question: "What does "Having an IMPACT" mean to you and why is it important?" Please limit to 250 characters or less. After we receive all participant's responses, the panel of judges will review and choose 10 semi-finalists from the selection.

STEP 2 Selecting the Finalists

The 10 semi-finalists will then submit a short essay describing the reasons that they are the member that will best represent this IMPACT Award. Essays will be reviewed and scored by the panel of judges. The three highest scoring essays will be selected as finalists to run for the prestigious award.

The essays will be reviewed and scored by the judges panel.

Each judge will select three members, with their first place choice getting three points, the second two, and the third one. These points are then totaled up to determine the Finalists.

The top three Semi-Finalists move on to the finalist round.

STEP 4 Choosing the Winner

Finalists will submit a 60-second video, outlining why they are the best candidate for the IMPACT Award. The videos will then be reviewed and scored by the panel of judges. In addition, the videos will be shared with the Remodelers Advantage community prior to the announcement of the winner at the Awards Ceremony.

Each judge will rank the three finalists, with their first place pick getting three points, the second two, and the third one. These points are then totaled up to determine the winner.

What are the deadlines?

Please see the IMPACT Award Website for this year's deadlines.

May I include quotes from my peers or other outside parties in my essay?

Yes, indeed. Feel free to be creative if it will help you make your case.

How long should the video be?

The video may be a maximum of 60 seconds so use this time wisely! And remember, the videos will be shown before an audience of industry pros and dignitaries at Summit.

What are the technical requirements for the video?

The technical requirements will be sent to the three Finalists directly.

May I feature other people in my video?
